Walk-in Interview

Society for Applied Microwave Electronics Engineering & Research (SAMEER) is a premier RF & Microwave Electronics R&D Laboratory under the aegis of the Ministry of Electronics and Information Technology (Meity), Government of India. SAMEER has 5 Centers all over the country and undertakes state of the art design and development projects in advanced/next generation technologies and also providing electromagnetic interference compliances and consultancy services for the industry. SAMEER provides the right environment for budding engineering graduates to gain hands-on experience with latest technology like 5G & 6G communications, making Advanced Electronic Systems and Advanced EDA software tools etc. It gives opportunity to meet and interact with eminent scientists and academia which is a great starting point to further ones professional and academic goals.

SAMEER, Chennai Centre is presently looking for suitable persons for the following posts for its various projects on consolidated pay basis. These are contractual appointments and shall not confer any right for regularization or continuation of service in SAMEER.
