No. CO(AV)/ Pvt. FM Empanelment/2023-24-AV/Radio

Dated: 3<sup>rd</sup> November, 2023

**ADVISORY**

**Subject: Revision of Rates for release of Government Advertisements by CBC on Private FM Radio Stations regarding.**

This is with reference to Ministry of Information & Broadcasting OM No. M-24013/16/2022-MUC-I dated 5th October, 2023 regarding the above mentioned subject.

2. The rates of Private FM Radio Stations have been revised as per the following:
  - a. The Indian Readership Survey 2019 (Q4) listenership data may be adopted for the determination of advertisement spot rates for Private FM Radio Stations.
  - b. The same method recommended by Empanelment Advisory Committee (EAC) in 2011, be adopted for finding distinct time band wise listenership data for IRS 2019 (Q4), by applying the ratio of time band wise distinct listenership estimated in 2009 to the survey data of 2010 to arrive at the distinct listeners in three time bands.
  - c. The Base rate to be increased by 43% i.e. from Rs. 52 to Rs. 74.
  - d. City Category Rate may be kept at same levels as fixed in 2016.
  - e. The formula for gross rate of 10 second advertisement on Private FM Radio Stations for A+, A, B and C category cities will be:
    - f. Gross Rate (10 Seconds)  
$$= ₹74 + \frac{(\text{Listenership in a time band by IRS Q4 2019}) \times (\text{existing City Category Rate})}{1,00,000}$$
  - g. The rate of a Private FM Radio Station for which no IRS 2019 (Q4) listenership data is available in a given city shall be the rate of Private FM Radio Stations having lowest IRS 2019 Q4 listenership in the same city.

- h. The rate of all Private FM Radio Station for which no IRS 2019 (Q4) listenership data is available in a given city under a particular category and region shall be lowest rate fixed for a city under the same category and region.
- i. 43% increase in Base Rate as well as in the Constant rate factor per lakh population (increased to ₹ 14 from present ₹10/Lakh population) for calculation of rates for advertisement spots for all Private FM Radio Stations of Category D.
- j. Formula for gross rate of 10 second advertisement on Private FM Radio Stations for D category cities will be:

Gross Rate (10 Seconds)

$$= ₹74 + \frac{₹14 \times (\text{Population of the city as per census 2011})}{1,00,000}$$

3. The rates will be effective for a period of three years from the date of notification. Also, since the present revision in the rates is based on IRS survey of 2019, these revised rates will be valid till one year after the next IRS survey and the rates will be recalculated based on next IRS survey as and when it happens.
4. The revised rates are attached herewith. All Private FM Radio Stations are requested to inform CBC within one week from the date of this advisory in case of any discrepancy. In case any discrepancy is found by CBC in the calculation of rates of any Pvt. FM Radio Stations, CBC will notify the same to the concerned Pvt.FM Radio Station and will rectify the same in the ERP System after due approvals.
5. The revised rates are effective from the date of notification. The ongoing campaign which have already been implemented will be continued on the existing rates. However, all future campaigns which will be implemented after the date of notification of the new rates, the new rates as per the OM No. M-24013/16/2022-MUC-I dated 5th October, 2023 will be applicable
6. This issues with the approval of DG: CBC.
