ADVISORY

Subject: Extension in the date of validity of rates for Outdoor Media till 31.12.2026 or earlier till validity of sole rights-regarding.

This is in continuation of earlier advisories dated 27.09.2024 and 31.12.2024, regarding submission of necessary documents by outdoor advertising agencies for extending the validity of their approved rates. Based on the documents received so far, the agencies mentioned in the **Annexure 'I'** have been approved for extension of validity for their outdoor media—with details of media type, location, and extended validity.

2. The validity of outdoor media has also been extended in the list available on CBC's official websites: <https://davp.nic.in> and <https://cbcindia.gov.in>.

3. Though multiple opportunities have already been given to agencies to submit the required documents. Validity has been extended only for those agencies that have met all the eligibility conditions, the competent authority has in public interest, decided to give **one final opportunity** to agencies whose names or media are not included in the published list. These agencies must submit the following documents **by 10.06.2025 to cbcoutdoor.docs2026@gmail.com**:

a) A copy of the agreement/extension letter from the sole rights authority, clearly stating the validity period of the relevant media. If the same agreement is still active, a notarized copy with the current date must be submitted.

b) The latest list of media (properties), certified by the sole rights authority, which are included in CBC's panel.

c) A copy of the CBC-issued rate letter corresponding to the listed media.

5. Any media not included in the official list as enclosed, and for which the above documents are not submitted by the deadline, will be removed from the CBC panel and will not be eligible for CBC campaigns. However, the rate letters issued to the agencies from October 2024 are valid even if their name does not appear in the published list in Annexure 'I' subject to timely acceptance of the offered rates and other terms & conditions of the offered rate letter.

6. Following to be noted:

i. The published list must be referred to in conjunction with the rate letters already issued to the agencies.

ii. Rates are valid only if the media is listed on CBC's official websites.

- iii. If any false or misleading information is found to have been submitted, the concerned media will be removed, and the agency may be blacklisted. CBC may also take any other appropriate action, as deemed fit.
- iv. If sole rights of any media are terminated before the end date shown in the list, it is the agency's responsibility to inform CBC immediately to remove the media from the panel.
- v. All terms and conditions in the existing rate letters remain unchanged.
- vi. The General Terms and Conditions will continue to apply.

This issues with the approval of the DG;CBC.
