IMPORTANT ADVISORY

Representations are being received from vendors (publishers/broadcasters etc.) seeking DAVP's GST registration number for entering the same on their bills/invoices.

In this regard, all vendors may kindly note that DAVP is not having GST registration number at present and whenever it is available, the same will be intimated immediately. DAVP's GST number is not required for generating invoices. All vendors may generate their bills (both online and physical bill) with their GST number only. Provision for entering the vendor's GST number has already been made for online submission of bills through DAVP's portal w.e.f. 01st July, 2017 and accordingly, bills are being received.

It is requested that all vendors should enter their correct GST number on their invoices (both physical and online). In case of incorrect GST number, the concerned may be liable for appropriate action as per the provisions of law.
