F.No. 14/0005/201718-MR&C

Dated: 24.08.2017

ADVISORY

Sub: **Request of Publishers for decrease in circulation figure of their Publications in accordance with Clause 12 of the Print Media Advertisement Policy 2016** – Decision Reg.

Many Publishers, who could not be offered rates in compliance with Clause 12 of the Print Media Advertisement Policy 2016 for not getting their circulation verified by RNI/ABC, have filed requests for reduction in circulation figure of their Publications with a CA certificate and request for new rate accordingly. Such requests are under consideration of DAVP in accordance with the relevant provisions of the Print Media Advertisement Policy 2016.

2. The list of 187 Publications, scrutiny of whose papers/documents as above had been completed, is published herewith. The remaining such requests for decrease in circulation are at various stages of scrutiny.

3. The Publishers of such Publications who are being offered new rates on their claim of decreased circulation are required to ensure compliance with various provisions of the Print Media Advertisement Policy 2016 and also the provisions of the PRB Act, 1867. The Publishers are, therefore, required to convey their acceptance of the Print Media Advertisement Rate Contract Agreement with DAVP within 15 days of uploading of this list on DAVP's website with an undertaking mentioned therein that the rates offered to them are subject to their strict compliance with the provisions of the Print Media Advertisement Policy 2016 and also the provisions of the PRB Act, 1867.

4. Further, the Publications whose reduction in circulation is above 25% are required to clarify the reasons for such sharp drop in circulation of their Publication within 15 days.

5. Failure of compliance with Para 3 and/or Para 4 of the Advisory may lead to withdrawal of rates in case of non-compliance of any provision of the undertaking.

(R.C. Joshi)
Director

List of Newspapers whose Circulation have been decreased during 2017-18
